About Us

Anchor Post-Acute is the premiere therapy and rehabilitation facility serving the greater Aiken area. We offer physical therapy, speech therapy, and occupational therapy. Our professional staff is dedicated to providing the highest quality clinical and support services. We strive to enable our patients to function independently in work, at home, and during athletic activities.

- Hand Therapy
- Fine Motor Skills

Speech

- Swallowing Techniques
- Language Comprehension Skills
- Information Retention & Processing
- Stroke Recovery

"These therapists have completely changed my life. I came in with little confidence in my abilities to move after my stroke. Not only did they help me walk again, but they gave me my life back."

- Leslie, physical therapy patient
